The Story:

Was running 5 mins late, met Jade after a quick shower and she undressed me and we got onto bed. Had quick sessions of kisses (includes DFKs nice!) . Very soon she came across as a very friendly girl who really seems to enjoy pleasuring me. Wonderful Oral with lots of balls and eye contact. Wow! i got some real snapshots in my memory bank with Jade positioning mirror to entice me further. On missionary with her rubbing me all over and the noises where too much for me to handle and the inevitable happened!.

Quick massage followed and after getting reaffirmed with some bouts of oral pleasure, we had sweaty sex in multiple positions with she even teaching me some i never been in ! (what a girl!).

Would have loved to have a second pop but was not to be with the time left! Must say she felt sorry for the same ,dont be Jade, we'll make it up next time!. Thanks again for the wonderful day.

Must say i was impressed by her energy and attitude to give you the best!
