The Premises:

I massage parlour in a clean, reasonable area on Coventry Road, accessible via front or (labelled) back entrance (from an alley off Deakins Road), plenty of free parking in side roads. Comfortable big bed with double shower in room we used. No windows in that room, and was a hot day, but not a problem in practice.

She tours a lot. I actually booked her on her mobile - see other reports on her. I did not realize the address given was Sexy Stars - my first time there.

The Lady:

42, but looks younger. Very attractive, curvaceous, loving and sexy; long flowing unbound hair; sexy smile. Very clean and delicious all over.

The Story:

Really enjoys her work!! Plenty of cuddling, DFK, licking and sucking, including body, cock, balls and even arse. I returned the favour on all her private parts. (Rimming, either way, were firsts for me, even though I am now in late 60s!) Very juicy pussy! Fucks any way but anal - we did missionary, doggy, and her on top, lying on my chest. Long deep throat, with finger in my arse, CIM and swallowed; all included in price. Plenty of intimate chat as we went and afterwards, including long shower together, and over 1/2 hour in lounge afterwards.

BTW, sorry Linzi - I just discovered that my first, more timely attempt at a FR was rejected due to my accidentally linking you to a wrong site where you are, of course, unknown. Anyway, nice to know that checks are done! Still my favourite!
