Details of Service Provider:

Profile Name: London Submissive Babes

Website: <http://www.londonsubmissivegirls.com>

Phone: 07725879382

The Premises:

Well equipped and easy to find with hordes of equipment.

The Lady:

Petite, brown haired English girl. Facially I thought she was only attractive.

The Story:

Went for a schoolgirl scenario and all was going well (administered some light slaps, good spanking session, nice covered blowjob) before I ordered her to go doggy in order to have a punishment fuck.

Unfortunately there was a real stench emanating from downstairs which really put me off and which I find unacceptable in a business where genitalia are a key feature (same goes for punters). Finished off with a handjob but given the hygiene issues I cannot recommend and will not return. Its a shame as she is otherwise a good service provider and I hope it was just an "off" moment which I guess can happen.
