### The Premises:

Good parking very near a clean set of flats.

### The Lady:

Cherry - tall, long dark hair, dark brown eyes, great figure, amazing bottom, long legs, pictures do not do this lady justice. My jaw dropped and eyes popped out when she walked in the room. Kandy - Long dark hair, massive natural boobs.

### The Story:

My first two girl experience. Kandy took the lead for all three of us suggesting positions and taking control with Cherry. Nice undressing of Cherry slipping her pants off slowly over her cure bum. Good meaningful kissing. Nice sucking of each others boobs, good attention paid to each other but with great eye contact to myself watching at this stage. Kandy put on a strap-on and gave Cherry an orgasmic fuck. I have say, watching Cherry come (no faking here) was worth the visit alone. Lots of double OWO from both a same time. Doggy with Cherry whilst Kandy licked my balls laying below me. Cherry sucked me off shooting cum high in the air just missing her face and hair whilst Kandy sucked on my nipples. Great double act ladies. After the first hour it was time for Kandy to leave. The last 30 mins with Cherry will be something I will never forget. This lady is truly a hidden gem. Cherry rode me to ecstasy for a second time, cleaned me up and then we chatted (loved this) about her and me. Time had passed but were both so enjoying our chat we carried on for maybe another 15 or 20 mins. I'll be honest, from me I felt chemistry with this lady to the degree whilst I'd like to see her very much again I'm not sure if that would be a good for me. If you ever get round to reading this I will never forget our Cherry and think of you often.
