The Lady:

Roxanne is a voluptuous blonde, excellent figure with a great personality and a big smile. She dresses to kill. She is really attractive for her age...

The Story:

This was my second punt at mature kensington.... I called in to see who was available and was told about Roxanne. Her description was spot on. I entered the house and paid my fees and had a quick shower. I entered the bedroom and she looked stunning in a lovely pair of knickers and suspenders. She started with a slow strip some deep French- kissing and groping while I lay down on the bed , followed by a slow removal of my cock from my pants and a great blow job with lots of spit, hand action and eyes looking up....load one came fast and all over her face, chest and tits....a quick clean up and it was my turn to go to work.... I started my tongue-lashing with her on her back working her clit, pussy and her tight butt....when I targeted her clit and worked fingers in her pussy and butt she moaned and came hard....and without missing a beat I put a condom and took my rock hard cock and drove it hard into her pussy from behind....while I was pounding her she moaned all kinds of hot taunts and played with her clitty.....when we were both ready, I slipped my finger in her ass and we came together rolling over on the bed.. We continued the same routine for an hour or so and would say she was one of the best punts I had....

As I previously mentioned this was my second punt at this establishment I saw NITA the first time round and I would sum that up as one of the worst. She claims to provide all services such OWO and French kissing but when it comes to it she makes excuses that feels so annoying as you have already paid for the services and when you complain to the madam afterwards they don't take any notice and just brush it off as its the ladies choice on what they offer. If that is they case they should change the way they lure clients in by saying all services are catered. All in all there are some ladies at this place that offer the best services and some who are not worth the time and money.....
