The Lady:

I've commented in other reviews about photoshopped profile pics. NO WORRIES HERE!!! This is the girl in the photos and she is a very, very attractive young lady indeed. Quite tall, lovely long blonde hair, great body with wonderful large firm breasts. You won't be disappointed.

The Story:

Izabella, who you'll find on many sites under different names, is a charming, warm, friendly young woman. You'll feel completely at ease and I'm sure you'll completely enjoy your time. She has plenty to say if you enjoy chatting and knows exactly what she's doing in the bedroom. Now, it must be said that as Izabella is the most expensive escort I've seen (my previous experiences have been at 130-180 per hour) I would have expected the profile description of OWO and FK to be true. Oral is ALWAYS covered on health grounds and she is a reluctant kisser (she tells me she kisses regulars with more enthusiasm!) On another day I might have felt short changed, at this price, not to have the complete service I'd expected, but her technique and personality do make up for this. Great cowgirl, she enjoys receiving oral. Round 2 was a hand job...hmmm... would have liked more there... BUT I've never before stayed slightly over time with an escort, so she was obviously doing something right! I did enjoy my time and I know she has a host of regulars, which speaks volumes, I'd say!
