### The Premises:

Was Outcall

### The Lady:

Chose her because she wasn't as photoshopped as some girls are. Good looking girl, great body. Very cute little butt, and real nice perky little tits. Good height too - I'm a fairly large man, like a smaller woman.

### The Story:

Turned up wearing very sexy black dress and heels. Perfect, her hair down she was very hot.

Mayra was nice, polite at first, smiled and was flirtatious. I poured us some wine and we limbered up. She asked what I wanted and I was instantly hard, she really turned the sex game on! Started with some DFK and I said I wanted a massage. Not the best I've had but still nice, relaxing. Real turn on as she pushed her body into mine.

She then moved onto some OWO. V good head, I asked to go down on her, she was more than happy. Her pussy was so wet and clean shaven. I was going to town, she was enjoying it so much, she asked me to lick her asshole, real tight and an incredible turn on.

I told her I like to be dominated a bit so she starts telling me to kiss her feet whilst she lay back. She made me worship her ass as she bent over wearing a tiny little g string, pulling my head into it, refusing to let me touch her with my hands. I asked to fuck her over and over again but she enjoyed teasing me. Eventually she got on her back and said I had permission. She was tight, lots of sloppy DFK as we fucked. I came pretty soon after all the teasing. We relaxed for a bit, she gave me a massage again. Eventually we start again, a lot harder this time and she was still up for it. I asked if I could cum on her tits, she obliged and I busted a huge load.

I would definitely see her again, gave the soft dom experience I like. She told me that she also does a Duo escort thing with a couple of girls from the website. Will definitely book 2 next time, I can only imagine how great it could be.
