The Premises:

I met cherry in her motor home. She offers a mobile service and after some in-depth correspondence and planning she made the 200mile journey to make some of my wildest dreams come true!

The Lady:

Cherry is a super sexy MILF with an amazing pair of boobs which have fantastic suckable nipples ! She is slim trim and toned and has spectacular pussy lips !

The Story:

We had one hell of a hot session, i was greeted by cherry who was dressed in a white nurses outfit, after the paper work was sorted out we got down to business, things got off to a good start with me groping her backside while burring my head in her chest.

We managed to get though various positions, and cherry even squired a few times which made the floor a little wet !

This lady enjoys what she does and take a genuine interest in ensuring you have a gr8 time ! at no point did i feel rushed if anything i was a little cautious of the time as i had to be at a dentists appointment.
