The Premises:

Plenty has been said about Debbie's so do not need to add anything.

The Lady:

Tina is very petit though she has big boobs, which she added were all real.

The Story:

I opted for the House special, with shower, as I usually do at Debbie's. After some playing in the room, where Tina rubbed herself over me, we went to the shower. Tina ensured I enjoyed this getting the soap everywhere and cleaning it off after. On returning to the bedroom Tina got me to lie face down so she could give me a massage, while doing this she also used her boobs and tongue to cover my whole body. Then got me to turn over and gave me some OWO, I then said that we needed to swap so that I could use my tongue on Tina. This was enjoyed and had Tina making so lovely noises. When my job had been done we I asked Tina if she would ride me, she faced me so I could look at and play with her boobs. When I had climaxed we had a little kissing before having a general chat before it was time for me to leave.
