The Story:

Unfortunately I was the last customer of the day , and I think this spoiled what could have been a very good punt!

I wanted a shower having come straight from work , normally you as left alone to do this , Rachael plonked herself on the bed and watched . Even though I gave a gentle hint!

I tried to make conversation , and find out what she did , but was told not to worry she would sort it ????

I said I like kissing (which is high on the list of things this establishment normally does) I got a couple of pecks on the lips (?)

Asked if I want a massage , ok I say , no oil or talc offered , not a great deal of effort then after about 3 minutes told to turn over .

A very quick OWO , then asked what position I want . So I say I want to go down on her.

Not stopped but no enthusiasm and stopped from getting into it .

This theme went through the punt.

A bit of cowgirl! . A bit of doggy then asked where I want to cum . I ask for facial or CIM she say u can cum on my tits .

End of punt !!

It's a shame as I have been to this place many times and this is the first bad punt I have had !
