The Premises:

My third visit took place at D's studio flat in Borough. A nice and clean studio with great shower facilities, and is only 2 minutes away from the nearest tube station. Felt very safe and secure for the whole duration of our meeting.

The Lady:

Dolly is absolutely gorgeous and she's much better looking than her pictures. She has a nice body of woman in her early 30s with curves in all the right places. D has a lovely face with blue eyes, black raven hair, and a smooth and flawless porcelain skin that I just couldn't get enough of caressing. Oh, and it took all my willpower to keep eye contact with D when we were conversing as I was getting constantly distracted by the impressive cleavage on display.

The Story:

This lady is just worth every moment. From the moment you enter her flat, D makes you at ease and help you relax to enjoy what's to come next. She offers you a drink and engages you in some conversation that makes you feel like her lover.

During my third visit, things started with some interesting conversation, before indulging in a steamy foreplay session where D demonstrated one of her many talents: FK. There was absolutely NO clock-watching at all on her part. The whole time with her was just wonderful and superb. She's the best escort I have ever had the privilege to meet. Simply put, D is a must-have Real Lover experience.

Dolly, you're just out of this (escort) world!
