The Premises:

Underated, on of the best places in the area. The entrance can be a bit exposed for a novice punter though. Clean inside and well decorated. Been to this place few times, never had a poor or average experience, always outstanding.

The Lady:

One word: Jade is hot. She is way better in flest than her pictures. The top model type with long legs pretty face and the personality to match. Its just a pleasure to be with this girl.

The Story:

I found myself in the train station waiting for my connecting trai, thanks to Virging Trains it was delayed. My perverted mind just switched on punting mode. After few checks, I found out Jade was covering.

I was waiting for a while in a small waiting room, on my own. I undertand they do this because of shy punters, but i would prefer wait in the main lounge and to chat with the girls.

Jade came later to say hi and wow, i knew i made the right choice. I quickly jumped in the shower and few seconds later she joined me and the tongue fencing started never had a GFE of this magnetude for long time. The next 30 minutes went in a blure Jade is just perfection. Best punt for long time. Thanks babe for the great time and I will be back as soon as i am in preston area.
