### The Premises:

Yes, usual house of divine. It was a busy day so had to do some hiding while another punter left

### The Lady:

Gorgeous. Pictures on website all accurate but don't portray her sexiness and wonderful attitude.

### The Story:

First of all Pixie, sorry for the delay in posting this, especially as I promised you one when we met over a month ago.

Wonderful time with a wonderful girl who makes you feel like she is into it as much as you are.

Highlight has to be Pixie asking me to CIM and then doing it exceptionally well, lying on her back with me above. Sorry for not being more considerate and quicker at "dismounting" afterwards Pixie but thank you very much for a wonderful time. I will certainly not leave it as long before the next visit and I will also be booking for longer.
