The Premises:

As previously reported modern flat opposite railway station.

The Lady:

Pretty rather than beautiful 24 year-old Lithuanian girl. Dark hair nice body small pert tits and completely shaven.

The Story:

Texted to make an appointment. There was a mix-up about the time I said 11.30 but she miss read it as 1.30. I arrived at the allotted time and I had to wait until she got ready. Never the less she welcomed me with some nice kisses. Once undressed I sucked her nice tits and then went down on her to tongue her smooth fanny. Despite "likes" on a web advert including "fisting (receiving)" she wouldn't permit the one exploratory finger. She moved around and she gave me OWO on the bed and then in front of the mirror. No CIM again as it says is available. On with the cover I tried doggy but couldn't get it in - probably my fault. So turn her over to fuck her in mish. Satisfactory finish. After cleaning up she gave me a back rub and it was a rub rather than a massage. Language difficulties makes communication hard and doesn't enhance the experience so I won't be seeing her again but I can recommend her. She will be in Coventry in two weeks time when Ella and Sara get back from Lithuania.
