The Premises:

Amanda's location is a very private apartment in an up market apartment block about a ten minute drive from Birmingham City Centre. Parking is very safe and secure and access to the building is via a totally secure intercom system

The Lady:

Amanda is a very attractive, tall, slim lady in her mid forties. She has long dark hair and a very friendly and welcoming personality. She immediately made me feel at total ease in the very relaxed atmosphere she easily created

The Story:

Amanda met me at the door dressed in a very see through dress and it through which I could see her matching bra, panties, stockings and suspenders underneath. She immediately put me at my ease with her friendly smile and welcoming comments. As the day was hot and I had driven some distance, I asked Amanda if there was any chance of a soothing cup of tea. She instantly obliged and she was happy to sit and chat while I relaxed and drank the wonderful tea she had made for me.

We then began kissing and cuddling and whilst standing beside her bed slowly undressed each other. When naked, we lay on the bed and after more kissing and cuddling began to make love. Amanda is a very responsive woman and soon had a very genuine orgasm.

Amanda is a qualified masseuse and she offered me a relaxing massage on the massage table in her room. This is a feature not to be missed and I was so glad that she recognised my need for a massage. It was quite wonderful.

In the world of escorts Amanda is an amazing find and I feel quite fortunate to have found her web site whilst surfing the Internet. I enjoyed the things we did so much and also the warm friendly conversation we had and of course the massage, I will most definitely be back very soon
