The Story:

Had booked in via aw for early morningarrived to be greeted by Elle another stunner lol
Sophia met me in the corridor in a figure hugging lbd.... Looking like a million dollars, had a quick catch up over things before I jumped in shower , as soon as I got out she was immediately on my cock , sucking licking with such enthusiasm , almost purring as she did it , she removed her clothes so I could fest on her gorgeous bodyand her tits are fucking amazing .

As she rubbed her body all over mine kissing and touching , I just couldn't keep my hands of her , especially dat ass and those tits .

It's was time to put something on , and took her in doggy , real fast and deep watching her body in the mirror , then watching my cock , drive in and out of her pussy . She asked me to smack her ass which I dully obliged as I felt her juice roll down my balls . She reached underneath to play with my balls and grabbed my thigh to push me deeper inside her .

I wiped off the condom , and sophia was sucking it again , " I know you wanted to cum in my mouth " with a cheeky grin .

When I came it was the strongest orgasm have had for years , but she stayed sucking till I was so spent .

Sitting up she dribbled all my come over her fabulous tits , I was amazed how much there was as she rubbed it in . She was coated lol

"Am i glistening "she asked

My god she was

Clean up bit more of a chat and giggle till we were passionately kissing again I was amazed that I was so hard so soon but this girls is amazing , so she slid down rubbing her pussy and tits all over my body . Till she sucked wanked and licked me with such expertise I came a second time in her mouth

This girl is the best around ABSOLUTE CLASS XXXXXX
