### The Premises:

First visit to this well reported establishment.

Easy parking at rear where there is a discreet entrance.

Inside is clean and modern looking.

### The Lady:

Stunning brunette with enhanced boobs on a slim body.

### The Story:

Went for the GFE option, which didn't disappoint, Emily, knows how to please, I only wish I that I had been able to match her performance.

Started with a light massage, then on to uncovered oral, which was excellent, this was followed by me reciprocating by going down on her sweet shaved pussy.

Then on to sex, managed a perfunctory bit of intercourse, but the old fella decided not to co operate entirely once the plastic jacket was applied, which was disappointing.

So ended with me wanking off whilst she fingered her pussy.
