The Story:

Hadn't seen Carla for a while for various reasons,but she remembered me and seemed genuinely pleased to see me.

Won't go into too much detail except to say that I made her cum twice,and yes it was genuine. Also amazingly I managed to cum in the condom which is something I haven't done for years,due to a combination of age and a hatred of condoms.I know they are a necessity but I'm sure many men feel the same way about them.

So yes Carla darling,you stirred a passion in me I didn't think I had any more.Needless to say I will definitely be seeing you again soon.

I would like to have cum twice,but didn't have time which brings me to my only criticism. I was a rushed out a bit at the end,as the room was needed. Admittedly I may have been a couple of minutes late,but Carla came into the room a couple of minutes later so I was cut short a bit by being rushed out dead on 11.30. This is only a minor criticism,and partly my fault so is no reflection on the lovely Carla.

Aso forgot to mention Carla's sexy,cheeky,easy going personality.

See you soon xxx
