The Story:

Called Chloe for a last minute booking, she consulted her diary & said yes she could accommodate me. I arrived on time , called & was given the room number so made my way into the hotel & found the room. Chloe opened the door dressed in jeans & t-shirt. I told her I wanted the hour for £100 + £10 for extra this was fine, but then learnt some of the services listed (swallow) won't even be entertained as it would her her "puke". Ok so I stay. She stripped off laid on the bed & told me to get undressed. Once on the bed there was a bit of mutual caressing & stroking, then the phone rings, she looks at it & says "no one important" then onto owo & guess what, the phone rings again, so she stops answers it & says "hi, I'm just finishing off with someone at the moment, (hold on I've been here 10mins & asked for 1hr) go & have a coffee I won't be long. After some more oral & cim, I was handed wet wipes to clean up, then she got dressed & that was it. If looking for a quick bit of fun then this lady is good but if you like a couple of rounds & taking your time then look elsewhere.
