### The Premises:

Nice apartment, rabbit warren of a building right on Queensway. Big, anonymous, safe.

### The Lady:

Anna is HOT! She was wearing the black lingerie, stockings and sussies outfit from her photos and looked awesome. She has a terrific body, natural tits and a gorgeous face. No tattoos but a pierced clit.

### The Story:

I had a good time. After my shower Anna started out by showing me her lapdancing skills (something I've been trying to find for some time), and she teased me beautifully. We ended up on her bed after maybe 3 songs, where she saw to me and I saw to her.

All the services you'd expect from a Thai provider who delivers a gentle PSE (is there such a thing?) were on offer, and I finished buried deep in her arse, along the way having played with her super-wet pussy, had a blowjob (good but not a highlight), and fucked on top and behind.

She's a lovely woman who has been in the UK for years - her English is good and she's admirably level-headed. She's here for only a few months however so unless you want to see Anna in a no-touching lapdancing club in Bristol, get in quick.
