### The Story:

As Anna shares a number of my interests I have been trying to get the opportunity to see her for some time and was able to manage it on my last trip to the North West.

As requested, Anna met me dressed in a blouse with long skirt and FF stockings. After a lovely snog and grope at the door and receiving a drink we went into the bedroom where the clothes came off to reveal a 6 strap susie belt and bullet bra. Just the sort of things I like.

After caressing and licking all parts her lovely body, Anna lay back so I could enjoy some mish with her stockinged legs up around my ears.

After suitable recovery time I gave Anna a little gentle spanking and some anal stimulation. She gave me some OWO and got me rock hard for the main event.

Once I was covered up and lubed, Anna knelt on the end of her bed and guide me into her lovely bum for a good sesion of anal which included some vocal encouragement. It is great to find a stylish lady who enjoys naughty things.

We chatted for a while about our common interests before I left to go on my way.
