The Premises:

Easy to find, good directions from the maid. Secure buzzer entry, felt safe enough. Parking was outside flat at £1.40 an hour.

The Lady:

Took a punt on this one as pictures had blurred out faces on website. Couldn't have been happier when she walked in. What an absolute stunner. Amazing figure with lovely legs, gorgeous face and fabulous enhanced bust. But the thing that impressed me the most was the smile that never disappeared. Has to be seen to be believed.

The Story:

Went for the top option for £80 with the £10 door fee. She doesn't do A levels but says everything else was ok. Started with a good massage which was body to body as well. Having those tits going up and down my back and getting an ear nibbled was really getting the fires stoked! Turned over and had a play with her boobs and went for some RO. She seemed to enjoy this so went in for a bit of rimming too. Enjoyed playing with her piercings on her pussy! She does have some artwork on her which doesn't bother me, found her tattoos quite nice actually. Condom was applied and OW was good, thought the top fee would have had OWO but my fault for not asking earlier. Nicole then asked to be fucked and who could refuse? Couple of minutes later the door knock came. I am not a fan of the door knock but that was my only complaint really as there were ten minutes at least left. Carried on with the doggy style thoroughly enjoying the view in the mirrors and almost constant eye contact from Nicole. Finally had a good climax and cleaned up. Nicole is a really good girl and is chatty and positive through out the visit. She is also the first Black girl I have seen in three countries that didn't have an attitude! I will be back! Thanx again babes. Xxx
