The Premises:

The flat was easy to find just 3 minutes walk from tube station. Small but well kept flat, the area was safe and quite one.

The Lady:

The ladies were very good looking, Emma was younger one and better looking than her pictures, Irena looks younger than her profile says. Both had good figure and suckable boobs.

The Story:

Irena and Emma did 4 hands massage and had me completely relaxed. They tied me and teased me to such an extent that I was begging them to let me cum but all the begging did not work and they made me cum when they were ready. I enjoyed an evening my first Duo and I think I had the best ones in London
