The Lady:

Nika is a cute girl next door type, with beautiful long hair and a stylish sense of dress.

The Story:

Had an excellent time with Nika. She arrived exactly on time which I appreciated after a recent bout of tardiness by my outcall appointments. However, she didn't wear the short dress I requested - this Nika attributed to the cold weather. After some polite attempts to chat (she speaks minimal English to say the least) we moved on to FK - DFK wasn't forthcoming as she is newish to the job and relatively girly in her approach to this profession. Off came her clothes - which was the highlight of the appointment as Nika has One of the most pert and beautiful bodies I have had the pleasure to encounter in my extensive punting encounter. What followed was a hour of OWO and sex in various positions that ended in a great climax. Would recommend Nika for her body, cute girl next door looks and service - might return if she improves her service delivery.
