The Premises:

Cosy flat in Central , not far from Bond Street and shops.
Everything inside is quite neat and clean, with a lovely room.

The Lady:

I felt quite amazed by the girl as it's probably one of the most beautiful girl I ever seen in my life!
So wrong that she does work like this!
She is very friendly to go with, cute face, very well made enhanced breasts (through that she didn't need I think and I told her!) petite and absolutely gorgeous.
Ashamed as well I didn't meet her in Thailand.

The Story:

She is quite new to work but she seems quite comfortable with everything.
I try to be gentle with her.
I had very good time with her, (I think too good to be honest),and it's hard to think not coming back!
Everything, not only sex but the whole visit was above my expectations, unfortunately.
I do not mean to say bad about her, I just thought this would be my last punt visit today as I really want to stop and find a proper girl, not a WG!
This girl looks so perfect, she is in my head now!...
So what to do next..?
