The Premises:

The place in big mansion block, close to underground station. Clean, cosy with shower facilities. Have been offered soft drink.

The Lady:

Attractive looking lady in her late thirties. Tall, long legs, natural good size boobs.

The Story:

Was greeted with a lovely smile. She had very sexy underwear on with black stockings which made me feel even more horny.

I chose to have a VIP service and I was up for real treat! Victoria offers all services. She started from gentle massage, followed with proper deep throat OWO until I filled her mouth fully with my cum. Second round we went for Anal. I think she really enjoyed me having her doggy style.

I had great time with this lady, definitely will be back again soon.
