The Lady:

Olivia is IMHO the most stunning escort at Maxes. She has the best legs, the tightest toned body and a perfect doll-like face.

The Story:

Olivia was dressed in a sexy secretary outfit (standard request from me) which showed off her incredible legs. Having sorted paperwork she led me to the bedroom where we spent a long time kissing tenderly and passionately before a session of mutual oral. Her body is incredible to touch and it was all I could do to hold myself back. We ended up mixing a range of positions and using the mirror to watch look into her eyes as we did it doggy style. One of the best GFE experiences I have had with one of the best looking girls I've ever met.
