The Premises:

Top floor of a nice older flat in the Leith area. It was clean and comfortable. Note that the roads are very busy in the area, so you may need to allow a little time (I was fortunately early to the area, so not a problem).

The Lady:

Both ladies are petite, but with curves where they should be! They say they are sisters: they certainly seem similar enough to be, and the way they act together I believe them. Emily is blond, and Carmen brunette, and both are gorgeous! They are half Italian (they speak with Italian accents) and half Scottish,

The Story:

Wow! This was one of those experiences that normally only happens in dreams. Not only was I with 2 gorgeous young ladies (who are sisters!), but both were very keen to make me happy. I had both of their attention all of the time, and when one was 'with' me, the other was keen (and vocal) for her turn. Both of these ladies seem genuinely keen on sex, and making their visitor happy. Not only this but they are intelligent and open.

An incredible experience, and one that makes me both sad and glad I am seldom in Edinburgh. Sad because I would love to spend more time with these ladies, and glad because I would be broke in a month!

Thank you Emily and Carmen!
