The Premises:

Block of short term apartments, bell entry, large car park no problem, I met a Korean lady there last month different flat, shower room cleaan bedroom clean

The Lady:

As it says on the other site, well stacjked and a little cuddly

The Story:

Good contact, shower on arrival while another punter left after seeing the lady who shares the flat Meli, very nice and slim who later joined us for a chat with no clothes on, after the to and froing of this all good natured got down to business, well functional Bulgarian lady who says on her site half italian half russian, not so. Spent 20 minutes with her showing me free down loads off a bulgarian site for films etc. Reasonable punt for the price. I would not see Chanmtelle again, but wouldn't mind a session with Meli
