The Story:

I don't know how to describe other than the most amazing experience ever.

Flat has a good atmosphere and is very clean and private.

The massage room is very relaxing, clean and has very relaxing music playing, the room also has clean shower facilities.

Candy is very welcoming, very attractive and young

The massage is very professional and relaxing. I love the way she touch.....hmmm

The massage stimulates all the senses and can be suited for all people.

I had a very happy ending (without sex). Yes I will defiantly return in the future.
