The Premises:

Basement flat between Paddington and Lancaster gate tubes. Flat ok and tidy, but bathroom could need some work.

The Lady:

Wow, she is young, beautiful, sweet and always smiling. Short, great body and looks as her pictures. Descriptions on web is accurate. Earlier review mention natural breast, but she admitted that they are enhanced, just a little bit. I am a fan of naturals, but her breast are fantastic, nice to look, soft to touch. I was happy.

The Story:

I arrived early and thought I just wandered around the area and locating the flat. As I approach the building, a young lady came from my right and walked passed me. She was cute and I was thinking to my self; nice if I could have sex with such a sweet and young lady. I guess since I haven't met Lara before, I was worry of her looks. I have been burnt earlier when discovering the lady much older than advertised. Anyway, she walked away and I circle a few blocks.

When the time came, I went to the flat, and as I was about to ring the bell, I hear a Hello from behind. As I turned around, I see that it was the girl who passed me earlier, it was Lara! I didn't recognize her from my brief looking, but I had a closer look inside. It was her and her pictures are accurate.

Lara was a great date, always smiling and always checking if I'm ok. Her bath service was great and I got a bit of owo and FK in the tub. She did everything I wanted in the bedroom, although I didn't asked for much. Her massage at the end was also good. Overall, this was great.
