The Premises:

In an estate which in the daytime is safe and clean. I walked from tube communications good and it was seamless.

The Lady:

Suzanne met me in casual clothes, she has long dark hair and the picture on the other site is accurate. A pretty girl next door says she is 22 certainly looked right and she has lovely smile. Her English is limited but talked about extras with confidence. The anal is £20.

The Story:

I took a very hot shower. Back in the bedroom simple with big bed Suzanne had undressed wearing only sexy yellow knickers and a body which yelled fuck me. No kissing no problem when understood so she sucked my cock as I stroked her tits very flat stomach and cunt. She is very thin but so well curved not stick like. I was in heaven the 69 was good groaning and pushing back as tongue slide into tasty pussy. Time flying she understands the need to fuck. She rolled a bright red condom on my smaller than average cock. I rode her incredibly tight cunt. I have never been in a woman so tight. I watched my cock slide in and thought this is tardis like as I went ball deep and spunked and spunked. Her pretty smile contributes to the pleasure but really it is all in that tight vagina. I would love to do her doggy cunt and arse to anally fill her is on the bucket list.
