The Premises:

Reported many times, Club Classique is easy to find, has on street parking and a friendly receptionist, Chantelle (who I would die for!)

The Lady:

Described on the website as mid 20s, if that's true, she's had a very hard life - I'd have said mid 30s. Pleasant lady, very chatty with 34D bust per website although these were a bit saggy.

The Story:

Started with the usual back massage with a few teasing fingers round bum and balls that started to get me hard, asked to turn over, discussed options and agreed oral and sex; she offered OWO for an extra £10 but I opted for covered. Her oral skills were excellent, plenty of attention to shaft and balls which soon had me hard.

For the main event, she mounted me in cowboy and things were going swimmingly until I felt myself about to cum at which point she climbed off! I asked her to carry on but she said "you've cum" pointing to a small amount of spunk in the rubber. I asked her to wank me but by then the moment had passed and I had missed my intense orgasm!

Overall, a disappointing punt.
