The Premises:

Nice clean place, easy to find, not much head room as the bedroom is on the top floor. Had to wait around 15 minutes till the girls were ready but it was worth the wait once the girls walked in.

The Lady:

Amira, is a very pretty idain girl, with a great figure, massive tits, long sexy legs, an nice pert ass. Honey, is a cute english blonde girl, long sexy legs, nice ass, soft big tits.

The Story:

Went for the 2 girl experience with kissing and reverse oral as extras. wow the girls blew my mind, started off with hugs and kisses, honey went and sat on the bed and spread her legs open whilst i was getting a good feel of amira, Honey called me over and i licked her pussy, Amira joined us on the bed and my hands were all over the both, then Honey gave me nice head whilst licking Amira. Got both girls to lick my dick at the same time, what a great experience! Honey said she wanted to fuck me and i obliged she got on top of me and rode me whilst i was grabbing Amira's tits. Amira wanted her turn to be fucked and bent over and i fucked her doggy style, wow what a great view. Honey then stood behind and sandwiched me and was putting her hands over me. I told amira to role over into me, whilst i licked out honey again suck her tits then lick out amira and fucked her till completion. What a great time i had with these 2 hot great girls a must see together or individually.
