The Premises:

This is an established maisonette opposite the football ground and supermarket. Entrance is to the side of the house.

The Lady:

Nicol is a larger lady but seems to take care of herself, she is shaven, white skinned with large boobs, as per her profile pictures.

The Story:

Like the home team near her place, Nicole is in the premier league when it comes to bbbj, deep throat, sloppy and loads of tongue action, she also listened to me and slowed down when I asked her to.

She does not seem to kiss so no gfe as far as I am concerned but CIM was available as was DATY which was a pleasure for both me and her by the looks of her reaction (in my mind at least).

We had a bit of cowgirl but that did not last long before she realised that sucking was why I had come to visit her again and for £60 was very good value. I did come big time into her willing mouth.

So whilst I have had better overall experiences for this sort of money they are few and far between in this area.

This house does not have a good reputation as far as I am aware but on this occasion it is a go to house for a decent sucking.
