The Premises:

It is located on a busy road but the entrance is discreet. Once inside it looks and smells very pleasant and peaceful. Greeted nicely at the door and welcomed in by lovely looking lady.

The Lady:

Sunny is absolutely stunning. Small and cute with amazing curves and beautiful firm breasts. She is also fun and welcoming with it. I'd defy any man not to be instantly turned on by her.

The Story:

Paid for a massage and Sunny came in and helped me undress. I wasn't sure about how things were meant to run so I let her do her massage. What a massage it was! Absolutely brilliant, proper professional erotic massage that would turned me from stressed to jelly. Such was the quality I would have been quite happy with that. When she asked if I wanted anything else wild horses couldn't have dragged me away.

I opted for full sex and the girl was so passionate I was beginning to wonder where I was. She blew me then we shagged in a couple of positions until she 'blew my mind'. She was really sweet and unhurried afterwards. Guys if you get the chance...highly recommended.
