The Lady:

Very stunning girl from Brazil, with a big Brazilian BUM! The pictures don't do her justice. Not as slim as shown in the pictures but still slim and very toned, fit body, with a lovely smile.

The Story:

Very friendly lady and we soon got down to it. She gave me a fantastic finger tip massage, which had me moaning and groaning, and she tickled my balls and arse and had my dick hard and dribbling. Rubbed her tits on my back, used her tongue and hair. Turned me over and swallowed my dick, gave really good head, and kept giving me sexy looks as she did it. Let me get into a 69 position and gave her muff lots of attention, she was really wet, and liked it. Made cumming sounds and as she would n't let me stop and flushed all over I reckon it was real.

She sat on my dick as I lay on the bed; she was facing forward and as she's totally gorgeous this was gave a fantastic view of her arse as she moved up and down. Didn't take me long to cum. Very friendly afterwards, I got a shower and left with a good bye French kiss on the door.
