The Premises:

A modern block of possibly serviced, but very secure flats. A couple of minutes walk away from Edgware Tube station, just off Station Road so very safe. Flat was clean with a clean bathroom. I went by Public Transport so cannot comment on parking.

The Lady:

Accurate depiction in her profile picture, if a little chubbier, but none the worse for it and certainly not fat. Around 5"3 and told me her weight was 56kg which seemed accurate. Blonde Polish lady in her early twenties with quite a pretty face.

The Story:

First the negative. Doesn't do all she says in her profile, so no rimming.

However, she offered the usual of OWO and protected vaginal sex. A little cold at times, but she became friendlier as the hour went along though she did watch the time a bit. After a shower, we started with OWO followed by sex in the missionary (her on top) and finished off in the doggy position. A massage followed which while not great, at least did all I asked. She then performed a handjob to finish.

While not the best punt I've ever had, Sandra was nice enough to be recommended.
