The Premises:

A pretty standard working flat in London

The Lady:

A lovely, slim, Thai girl with enhanced tits.

Aged about 25, petite... as has been said before, fuckability in a tidy package

The Story:

After helping me shower, May undressed and got to business - a prolonged session of deepthroat and rimming.

Very mobile and athletic - plenty of movement allowing me unfettered access to her body... and all orifices.

I was very horny, and couldn't really stand it for long, so we slipped on a jonny and May got to work fucking me.

Absolutely fantastic.. leading to me fucking her in doggy.

I loved it, so I reached down and lubed up my cock and May's arse... and headed for anal.

May realised quickly, and said "oh, you want fuck my bum? ok...", and we set to it.

Very, very, tight.

Particularly nice because May was moaning with pain and pleasure with each thrust, something that really turns me on... so much that I couldn't carry on sodomising her for long. The buggery had to stop (shame) and May spun around to suck my cock and wait for me to come into her open mouth.

As always... very pleasant indeed
