The Premises:

Easy to park but a walk from the tube. Amanda has a flat which is clean and the shower hot.

The Lady:

Amanda is a pretty curvy woman. Her breasts are pert and she has a bright smile. Her photo on the other site is accurate. Her conversation is varied and funny.

The Story:

Dressed in a bra and panty set she led me to a room that I had seen before. I go off to shower she to start the coffee. On my return kissing and stroking the clothes removed she sucks my cock with gusto. I am asked to warn her before I cum. CIM is on offer but warning required. My mind is on her cunt so having licked and massaged her breasts whilst she reciprocated and added my balls to the mix I head for her vagina. The 69 is fantastic and I finger her pussy and using that juice and spit I gently push a finger into her arse. The moans and cessation of sucking tell me she is enjoying the fingering. My cock is going to spit and I suck on her clit with thumb in cunt and finger in her arse the sperm shots out. Cleaned up and after a chat, strong coffee and a lovely view of her hairy cunt and sexy body I can feel the second pop. Amanda is very enthusiastic and on with the condom and fucking in several positions I give her deep fucking in missionary. Her knees tucked up I watch as I slide in and out. I really cum in a woman with a condom but now the beautiful face and tight cunt bring me shuddering to climax. Further talk and laughter send me out with a spring in my step.
