The Lady:

Very sexy Asian woman, I guess in her 40's. I am a fan of milfs and would definitely turn my head if I saw her on a street. Fantastic slim body with full breasts of just the right size. Very polite, friendly and nice to have a chat with, although there could be a slight language barrier if you're not too patient. She probably is a smoker.

The Story:

It was a while ago now, so some details can be missed out. Xin Xin opened the door with a sexy babydoll on top of black lingerie and stockings and stilettos (I asked her before to wear this outfit). After usual introductions and initial talk we started with some kisses and strokes, undressing at the same time. I let Xin Xin take my last piece of clothes off me then returned the favour leaving her corset, shoes and stockings on, it really turned me on when looking at her. Asked her to lie down and relax, then took care of her pussy. She seemed to enjoy it and climaxed after a few minutes. She then gave me a lovely smile, said it was now time to switch and started to suck my friend and lick every bit around it. I had to ask her to slow down so I wouldn't come too early, but finally I couldn't hold it any longer and shot quite a load in her mouth.

After some cleaning up and refreshing we chatted for some time while Xin Xin was giving me massage but as soon as I felt ready for part two she started sucking and licking me again. Soon after she lied down with her pussy inviting me to enter and I happily obliged. It started rather gently but we both quickly got really turned on and ended up banging each other like in a porn movie, switching positions few times in the meantime, slapping and encouraging each other for more and more. Finally just before my second shot I managed to quickly take the rubber off just in time to come all over her breasts. We were both exhausted but happy, unfortunately it was soon time to say goodbye.

I am definitely planning to visit Xin Xin again when I have a chance, I am not even sure I should look for another milf experience as she ticks all the boxes for me and is a great woman to spend a passionate time with. Thanks Xin Xin, you have my highest recommendation.
