The Premises:

We met at Adriana's flat - a comfortable pad she has decorated tastefully, in a very nice area of town. Discreet location, Felt safe and very relaxed. Clear directions and easy to find.

The Lady:

Adriana lives up to her description as a Swedish goddess. Very beautiful with curves in all the right places. She was dressed in a figure hugging dress which showed off her sensuous curves - with very sexy lingerie underneath. She is absolutely stunning in her lingerie - and without it! She has a great personality, warm, witty, intelligent and great fun to be with. She is quietly confident and quickly put me at ease. It is clear she really enjoys her part time career and this shows in the way she approaches it. She is a joy to spend time with. She is definitely the ultimate GFE - and as far as words can describe - absolutely what her website describes.

The Story:

This was my second visit to see Adriana in as many weeks. To say I am hooked is an understatement!!

When I arrived I was offered drinks and we sat and chatted. Adriana is careful to make sure I was relaxed and comfortable. We naturally moved onto sensual kissing, gentle at first, becoming deeper and passionate.

I was offered a shower - clean towels and mens toiletries are provided - before we retired to the bedroom. What ensued is between us - save to say we both had great fun and I was treated to some new experiences. Adriana has a lovely naughty streak and really enjoys herself - she was eager to find out what I liked and open with sharing her likes and favourites.

We ended the encounter wrapped up laying together cuddling after our exertions.

I came away with a very big smile on my face and a determination to be back soon

Thank you Adriana :)
