The Premises:

This was Gina's palatial, and very tastefully decorated flat.
Very secure, very discrete. Easy parking nearby.

The Lady:

Stunningly attractive, put's Naomi Campbell in the shade, with the added advantage of being very serene and not liable to throw a mobile phone at
Gina is not shy, I wouldn't describe her as bubbly, she gives an aura of peaceful, thoughtful intelligence. She focuses 100% on you while you are with her.

The Story:

Members can stop living vicariously by pleasuring themselves reading about other people's experiences. It should be sufficient that I think so highly of Gina that I want to tell anyone who feels they are worthy of experiencing the Gina Brown Experience then do yourselves a favour and just book her.

Be warned though, Gina is a quite exceptionally special person and deserves to be treated as such. Anyone who treats her, or intends to treat her with anything less than the devoted love, affection, care and respect which she so richly deserves, can look elsewhere, or have me to deal with.

If on the other hand you want to enjoy one of the best experiences available with one of the most gorgeous, most engaging, most thoughtful, and most kind girls ever then go and see Gina.

If you treat her well, be kind, be polite, and give of yourself an equal measure of pleasure to her, the rewards are immense.

Oh one other thing, a good measure of how much Gina likes you is whether you are encouraged to stay or go. Gina admonished me for the indecent speed with which I dressed afterwards, and said "I'm not a clockwatcher, you don't have rush", so I feel perhaps I could have stayed and chatted a bit more even though I was over time. To have done so would have been a delight but also would

be take advantage, which is not really on.
