### The Premises:

Easy to find, but don't get confused between No 9 and 9a. On street parking and Pay & Display too. Bit seedy inside. Shower was clean but awful to use, towels plentiful and clean. Upstairs above a car workshop. Not for the shy.

### The Lady:

5' 4" slim, petite, enhanced boobs, tied up hair, Whole back tattoo and a few more too. Quite pretty, but there was absolutely no resemblance to the web pictures. Described as 19 on the website, 'maybe 6 years ago'.

### The Story:

Awful. Probably the most disappointing in my punting experience. I called ahead and was told that Caitlin would be free in 15 mins, so I said that I was on my way as long as Caitlin was happy with a 50+ gent. 'Of course dear'.

Showed to a bed room - clean & pleasant. I asked if I could take a shower, which took the receptionist by surprise!

On finishing my shower, I was moved to 'the big room' where I waited. The bed was very, very high. Caitlin came in and I thought she looked quite nice. She gave me a long back massage with talc & lotion. No titilating play at all. She asked me to give her a back massage, which i did with oil over her huge tattoo.

I was getting a bit fed up & asked for a bit of 'It's my turn for some fun now'. I rolled over with a soft willy, and caitlin brought it to life with an oily hand. In no time at all, she put on the jonny & sat astride me. I tried a kiss - no - tried a nipple suck - maybe a glance.

I asked her to slow down, so she got off and said 'take me from behind and you can control the pace'.

This was the best bit, and i did go slowly, but then had to speed up to keep willy interested. I came and she faked an 'oooooo'. There was no interaction at all. The website says: Here at Zara's we don't charge two different rates standard and V.I.P. Every customer at Zara's is a V.I.P. It's a £10 entrance fee and £50 in the room for your full personal V.I.P. Treatment.

Well, sorry, but I felt like a fool for parting with £60 for a poor service.

I shall stick to Sandys!

I didn't even get a BJ!

Avoid!
