The Premises:

Well known location in Earls Court, up to the usual high standards. I love it even more since they have moved the main action to the front room. It gives so much more space for the delights to come.

The Lady:

Helen: Tall, busty New Zealander with long fair hair.

Alex: Slim gorgeous blonde.

Tina: tall busty redhead.

The Story:

I saw on the website that Alex was assisting Helen, so I decided to indulge in some eroticism with them. Alex is my long term favourite, and I have seen Helen previously I knew she was in for a treat. Imagine my delight when I called when Tina answered the phone as I had forgotten that she is now the regular Sunday maid. I made a snap decision and asked if Tina was up for a bit of watersports fun, as one of my fantasies is to be p.d on by three girls at the same time. To my delight Tina was up for this, and arrangements were made.

When I arrived Tina told me she was bursting to go, great I thought I am in for a treat tonight.

Helen, Alex and I adjourned to the dungeon for some fun with the two of them. I asked for some NT and CBT followed by a good spanking and paddling from them. I had clamps applied to my nipples and clips to my cock and balls (about thirty I think). I was then made to lie over the whipping stool where I was spanked and paddled by Helen and Alex. I was made to count out the number of strokes I received and they kept swapping over so they didn't become tired. When they sensed I had had enough I was made to stand in front of the mirror while they removed the clips from my cock and balls, this was quite painful as they had been on for some time. They then removed the clamps from my nipples and this was very painful, and my nipples hurt for some time afterwards.

Alex then announced it was time for us to adjourn to the bathroom for the watersports, where we

were joined by Tina. The plug was placed in the bath so I "would be bathing in piss". Tina peed on my cock and balls, Helen into my mouth and Alex on my feet and legs. This was the fulfilment of one of my fantasies and the climax to a tremendous session.

Thank you to all three of you for the session. I must try it again on another occasion.
