The Premises:

Elegant, clean spacious apartment near South Kensington tube. Easy to find, relaxed atmosphere, efficient and friendly Rianna or Charlie looking after logistics.

The Lady:

As per photos. Tall, slim with lovely natural boobs. Shortish (but very stylish) hair, compared with most escorts...big smile. Very responsive nipples.

The Story:

I've been around the scene for years (decades, even) but this is my first review here. I've seen Faye three times now and in the fabulous House of Ill Repute that is the House of Divine, she's a real star..and there's some genuine competition there. Tall slim sexy, she oozes sex appeal and confidence. After getting the paperwork out of the way she came back into the room and the action started..and I do mean action!

She makes it all such fun and really enjoys herself.

Faye is quite posh, from somewhere in the home counties. I love that in a girl, so I got her to say my favourite things in her posh accent, like 'Can I bend over and show you my arse, now, or would sir like a blowjob fist?' and 'I really don't think that will fit in my arse, I'm so sorry'..all in fun of course:-)

She loves sex and is very responsive if you press the right buttons...go and find them!

One downside..the delightful Faye is a smoker, like many of the girls at HoD. Puts me off but I still think she's fabulous!
