### The Story:

WOW !!!!!!!!!!!!!!!!!!!!!1

This is my first time with Suzi and saw she had great reports and its TRUE ! She is good looking, friendly, great body and boy does she make sure you have a great time.

Started with a show and the financials although she seemed almost not to care.

Great DFK really deep. Then RO on her which she really enjoyed and with a little mutual help came hard whilst in face sitting - very nice.

Then OWO followed by great sex (covered).

Offered a massage which was nice and tried hard to get the old chap to perform again but flesh was weak.

Really GREAT girl and one of the very best I have found in a long time. Cant wait to see her again

Guys, treat her well you really do forget you are paying for sex and cant recommend her enough.
