The Premises:

Discreet normal looking house North West of MK centre. I parked less than 1 min walk from the house, premises were very clean, warm and welcoming.

The Lady:

Incredible, even better than her (non airbrushed) photos suggested in my opinion. Great smile, and for me she has perfect shapes in all the right places.

The Story:

The best from the several women I have met whilst punting, I cannot fault anything about Angelika. As mentioned above she is absolutely gorgeous, and I was greeted with a warm smile that certainly helped on a cold day. Immediately she was very chatty, and took my hands into hers which made me feel at ease from the off. She asked me what I liked to which I responded GFE, and she did a fantastic job of providing it.

Plenty of eye contact throughout which really spurred me on, and a cheeky personality and great sense of humour meant I thoroughly enjoyed the 45 mins I spent with Angelika. When all was said and done we spent a few minutes chatting, and Angelika was intelligent, funny and rather passionate which is just the kind of girl I like. I 100% recommend Angelika to anyone, go in with your mind open and be amazed!
