The Premises:

First impressions really count and everything about GFE was clean and tidy. The atmosphere was very friendly and relaxed with a discrete entrance at the rear.

The Lady:

Kandi is very a striking lady with a cheeky smile that hints of the fun that she has in store for you later. She has an amazing long legs and long dark hair.

The Story:

It was a great view going up to the top floor watching her bottom all the way. In the room she offered me a drink and a shower. We started with a relaxing massage with lots of kissing and caressing, this led to the most amazing DT during OWO. She is very skilled at this taking it all down. It was the ultimate GFE with lots of kissing and OWO. This led to sex in a few positions which ended up with deep missionary, so I could kiss those lips some more. An amazing and exhausting half an hour of pleasure. I would highly recommend Kandi for anyone visiting the area.
