The Premises:

Well situated about 1 minutes walk from the local station. Normally use discreet rear entrance when i arrive. Debbies place is what i would call homely, clean but lived in and comfortable.

The Lady:

Had not met Melissa before but i was more than pleasantly surprised when i did. She had a lovely face and well proportioned figure to match with a cheeky bubbly personality and i felt completely at ease with her. She has a sexy accent of Anglo/Danish origin apparently.

The Story:

Made welcome by Debbie when i arrived and had a cup of tea and a chat with her while i waited for Melissa to finish with her previous client. I was shown into the bedroom and Melissa came in shortly after wearing nothing but a bath towel which soon came off and was followed by some very sensual DFK and mutual groping, her nipples hardened nicely and she was getting quite moist down below. It was now time to progress, so she laid on the bed for some reverse oral which she seemed to enjoy as she climaxed shortly after. Now it was my turn as she performed firstly a very nice oral job fondling my balls at the same time, then she climbed aboard and rode me for a while and finally we finished with the best doggie i've ever had. Well done Melissa and thanks for a truly memorable afternoon.
